

## **Executive Committee Report – February 18<sup>th</sup>, 2016**

Bill Dunham, Chair

The Executive Committee met with Joe, Doug and Mark about the direction of the ORC. There were multiple conversations via email and phone meetings with Linda Jaco and the PM, Renee Sansom to discuss the current appointments and new recommendations for the council. We as the ORC are making great strides with the job seeker success stories and outreach to the Legislators. Spring Hill visits for CSAVR were discussed as well for the April 18<sup>th</sup> – 20<sup>th</sup> date. It was discussed /suggested that ORC support Jason Price to attend CSAVR for VR since there is a freeze on travel. Joe is to consider Jason for this travel request. I have attended the Planning and Programing committee meeting and it seems that they are on the right track with the strategic plan and we plan on having Sandi Wright with DRS from the Policy Development and Program Standards Unit come and speak to us about the process and progress. I know that the Policy and Legislation committee has met and are working to get information on bills that are disability related. Also, there has been a Transition and Employment committee meeting that brought in the State Department of Education to the table. ORC comments for the state plan were to strengthen this relationship and ORC has made great strides for this to occur.
